

How to Sign Into Zoom Application

1. Launch the Zoom application
2. At the login window, Click SSO
3. Enter “nl” for the Company Domain field
4. When the Portal Login pops up in a new browser window, sign in using your credentials
5. When you sign in and the “Sign in with SSO” page shows, click “Launch Zoom.”
6. Zoom will update, and you will be successfully signed in.
